

Temporary Utility Service Change Request

Whether you leave water service on or have it shut off, please remember that you are responsible to ensure all systems in your home are adequately protected from damage that could occur during your extended absence.

The City of Sheffield accepts no financial responsibility for damages and will not forgive large water and sewer service bill resulting from water leakage or unauthorized usage, etc during your absence.

1. Suspended Account Status –

No monthly bills and no monthly meter readings, except you will receive a bill for the utility service received in the month before you leave are billings are for the previous month’s usage and services.
